

Dental Practice Policies

Dear Patient:

Welcome to our dental office. We appreciate the opportunity to assist you with your dental care needs. Our goal is to provide you and your family with the best dental care available at an affordable cost and in an efficient and professional manner. We can only accomplish this goal with your help. With this in mind, we have listed our office policies below for your review.

_____ **Should you be unable to make your scheduled appointment we request that you notify the office at least 24 hours in advance.** We will make every effort to confirm your appointment with you; however, it is your responsibility to keep that appointment. A broken appointment fee of **\$45.00 Monday-Friday and \$75.00 for Saturday** may be billed to your account if you fail to notify the office within the time frame specified.

_____ Payment is due at the time of service. We accept cash, money orders, debit cards and all major credit cards as payment. For your convenience, we accept most dental insurances. As a courtesy, we will be happy to file your dental insurance claim to your insurance company on your behalf. **Insurance claims that are not paid within (60) days become the sole responsibility of the patient. If the balance on your account becomes more than (90) days past due, your account will be transferred to a collections agency and a fee of 30% of the balance will be added to your account.**

_____ We try very hard to adhere to a schedule. If you are more than 15 minutes late, we may have to reschedule your appointment. Sometimes an emergency will occur that will make us run behind. We do respect your time and will make every effort to stay as close to your appointment time as possible. We thank you for choosing our dental family and look forward to a long relationship with you.

_____ Please understand that dentistry is **not** an exact science and therefore reputable practitioners cannot properly guarantee results. No guarantee or assurance has been made by anyone regarding dental treatment that you have requested or authorized. Each dentist is an individual practitioner and is individually and solely responsible for the dental care rendered.

_____ Your original records belong to the office. You may request copies for you or others. We will provide them within five business days upon receiving a written request from you. There will be a fee to duplicate your chart.

_____ The patient and dentist (including their corporations, representatives, staff, agents, parents, guardians, children and all related individuals and entities) agree that all litigation events that occurred in the dental office will be determined through submission to an arbitrator, and NOT by a lawsuit or other legal proceeding filed in a federal, state, county or municipal court. By signing this Arbitration Agreement, the parties waive and forfeit their constitutional, statutory or common law rights for a jury or judge to decide any legal questions or disputes, and instead accept the sole use of a private arbitrator. This Arbitration Agreement covers all disputes as to dental treatment, financial matters or any other events that occurred in dental office whether in tort (intentional or negligent), contract, statute, common law or otherwise, and including without limitation all actions relating to dental negligence, return of fees, loss of consortium, wrongful death, discrimination, emotional distress or punitive damages. The arbitration shall bind all parties, including without limitation any spouse or heirs, and will NOT be subject to court review. Either party may initiate arbitration by serving on the other a written "Demand for Arbitration" form by certified mail. No other form of service will be acceptable. The Demand for Arbitration must identify all parties, include their contact information, describe the claims against each party, and state the amount of damages sought. Either party then may continue the proceedings by contacting the American Arbitration Association ("AAA"). A single AAA arbitrator, mutually selected by the parties, will conduct the arbitration. All proceedings will be resolved using the AAA rules. Arizona law will apply. If any provision of this Arbitration Agreement is held to be invalid or unenforceable, the remaining provisions will remain in full force and effect.
